**Re: United States of America v. Betanzo Garcia, et al.
24 Cr. 642 (LGS)**

LORNA G. SCHOFIELD
UNITED STATES DISTRICT JUDGE

Honorable Judge Schofield:

On behalf of Mr. Anderson Badia, I write to respectfully request the Court modify the conditions of release set at his presentment on September 13, 2024. On that date, the Honorable United States Magistrate Judge Gary Stein imposed Home Detention enforced by location monitoring, technology as directed by Pretrial Services.¹

I have conferred with the assigned U.S. Pretrial Services Officer Vanessa Perdomo, who confirms that Mr. Badia has complied with the terms of his release. She noted that, since he has been under Pretrial Supervision, a period now over seven months, he reports as directed, provides weekly employment verification, tested negative for illicit substances during his initial screening, and has had no instance of non-compliance with location monitoring. Accordingly, a downgrade from Home Detention to a Curfew to be determined by Pretrial Services enforced by Location Monitoring is wholly appropriate. Therefore, I respectfully request the Court modify the conditions of Mr. Badia's release to relieve him of Home Detention and substitute a Curfew to be determined by Pretrial Services enforced by Location Monitoring.

I have conferred with Assistant United States Attorneys Justin Horton, who, on behalf of the United States, defers to Pretrial Services. Accordingly, Pretrial Services does not oppose the requested modification.

Thank you for considering this request.

Respectfully submitted,

Christopher Flood
